If the pension application has not been prepared and forwarded with whom it is pending and why.

This man is already in receipt of a pension, but Govt in Pro: P & A No. 823-4 of 23-11-03, having authorized to reckon towards pension the services of the Mantry person January 1867 to May 1880, also the temporary service from August 1880 to 7th August 1889 having also been condoned, a revised application is under preparation by Exr. Engineer and will be soon sent up.

The Service book has been sent to the Examiner P.W. Accounts for verification. —

The pension application was forwarded to the Comptroller on 17th September 1903, for verification of a portion of the service rendered by the man in the Revenue Department, but the same was returned by the Comptroller on 23rd October 1903 with the intimation that it could not be done in his office. The Service book was therefore sent to the Mysore District Deputy Commissioner on 2nd November 1903 for needful verification. An urgent reminder was also sent on 23rd December 1903.
